## SUMMARY OF QUALIFICATIONS

- 18 years of strong clinical skills and experience in the field of medical imaging.
- Knowledge in AWS architectural principles and services.
- Proficient in PACS technologies and Cerner Millennium through daily operations of clinical applications.
- Exceptional analytical skills, work ethic, and teamwork.
- Adapt quickly to a fast-paced and demanding work environment.
- Specialized in Magnetic Resonance Imaging procedures and plain radiography in both inpatient and outpatient settings.

## EXPERIENCE

### North Kansas City Hospital – North Kansas City, MO

#### MRI Technologist / Radiologic Technologist

November 2011 – Present

- Complete exams independently under the direction of a radiologist and work within the established guidelines and policies to provide quality assurance and safety compliance.
- Interview patients to collect medical information and gain patient cooperation by reducing anxiety with explanations of procedures and addressing questions or concerns.
- Utilize PACS systems and Cerner Millennium on a daily basis for patient health information as well as retrieval and distribution of images.
- Provide on-call services for the off hours and weekends.

#### Radiology Transportation Aide June 2006 – November 2011

- Provided safe transportation of patients to and from the assigned areas of radiology.
- Performed all other duties as directed by the radiology manager.

### University of Kansas Medical Center – Kansas City, KS

#### Radiologic Technologist June 2012 – June 2014

- Prepared patient for radiological procedures by positioning patient, moving devices and equipment into specified positions, and adjustment of controls to set exposure factors.
- Maintained production and quality of radiographs by following established standards and policies.
- Minimized radiation to patients and staff by practicing radiation protection techniques.

## SKILLS

AWS

Microsoft Softwares

Exposure to Linux

PACS and Cerner Millennium Systems

MRI/Cardiac MRI

Venipuncture & Port Access

## EDUCATION & TRAINING

AWS Certified Solutions Architect Associate – Current

Bachelor of Science in Radiologic Science – Avila University, 2009 – 2012

BLS Certification – American Heart Association – Current

ARRT Licensure – Current

Continued Education and Training in MRI, Avila University/North Kansas City Hospital, 2013

## AWARDS & RECOGNITIONS

NKC Hospital Radiology Employee of the Month

Recipient of WOW cards

Avila University Dean's List

Avila University Radiology Club Member
